Creating a Safe Environment (for Volunteers) Online Training Instructions

All adult volunteers working with children, youth, or vulnerable adults need to complete the same training—whether they are new, renewing after 3 years, working with children/youth, or working with vulnerable adults. In-person training remains an option, and it is the only option for teen volunteers.

Introduction

There are 5 courses in the training:

- 1. Meet Sam
- 2. It Happened to Me
- 3. Exploitation in Elder-Serving Programs
- 4. Abuse Risk Management for Volunteers
- 5. DOR policies Volunteers

The first four courses include action plans. These are for your enrichment. You may choose to print them or not. If you open an action plan, simply close it to return to the training.

If you have any difficulty, please call the DOR Help Desk at 1-800-844-7177 for assistance.

To Access the training:

- 1. In the address bar of the web browser, type in the address <u>www.dor.training</u>
- 2. Click on "Creating a Safe Environment" in the blue bar
